

Condition Grades

A — Excellent / Near-Perfect

- Optical: No haze, fungus, or coating damage; no impact on image
- Mechanical: Smooth focus, zoom, and iris with precise operation
 - Cosmetic: Minimal signs of use; looks very clean

B — Fully Functional / Normal Professional Use

- Optical: Minor dust or cleaning marks that do not affect image
 - Mechanical: Slight play or resistance within tolerance
- Cosmetic: Noticeable wear from normal professional handling

C — Functional with Noted Impact (Service Candidate)

- Optical: Haze, cleaning marks, or coating wear that may affect image contrast or flare behavior
- Mechanical: Uneven or stiff operation; may require service soon
- Cosmetic: Heavy wear, engraving, repainting, or dents without structural damage

D — Needs Service / Sold As-Is (Service Candidate)

- Optical: Defects clearly affecting image performance
- Mechanical: Gears slipping, binding, or functional failure
- Cosmetic: Structural or mounting damage; parts missing
